-

11. A written statement indicating whether or not the applicant has been convicted of a misdemeanor under any statute administered by the department within the 5 years prior to the date of application or of a felony in any state or federal court during the 10 years prior to the date of application.
12. If the applicant is not the owner, a written statement signed by the owner that the owner is aware that the application is being filed and has given permission to the applicant to file the application and to enter upon the land for purposes of site investigation and operation of the septage facility in the event that the division issues the permit.
13. Each application must be accompanied by the fee specified in Env-Ws 1608.04.

IV. Applicant Signature

The applicant(s) must sign the following statement prior to submitting this application. All copies of the application filed with DES must bear the applicant's ORIGINAL signature(s). If the applicant is not an individual, the application shall be signed by an individual duly authorized by the applicant.

- All notification requirements in Env-Ws 1603.01 have been met.
- All operators of the facility have been instructed on the requirements of Env-Ws 1600 or shall be instructed prior to working at the facility.
- A copy of the application has been given to the governing body of the municipality in which the activity is proposed to occur.
- To the best of my knowledge and belief, the information and material submitted herewith is accurate and complete.
- I certify that this application is submitted in a complete and accurate form as provided by DES without alteration of the text.
- I understand that any approval granted by DES based on false and/or incomplete information shall be subject to revocation or suspension, and that administrative, civil or criminal penalties may also apply.
